

CMC document uploading feature for CCE

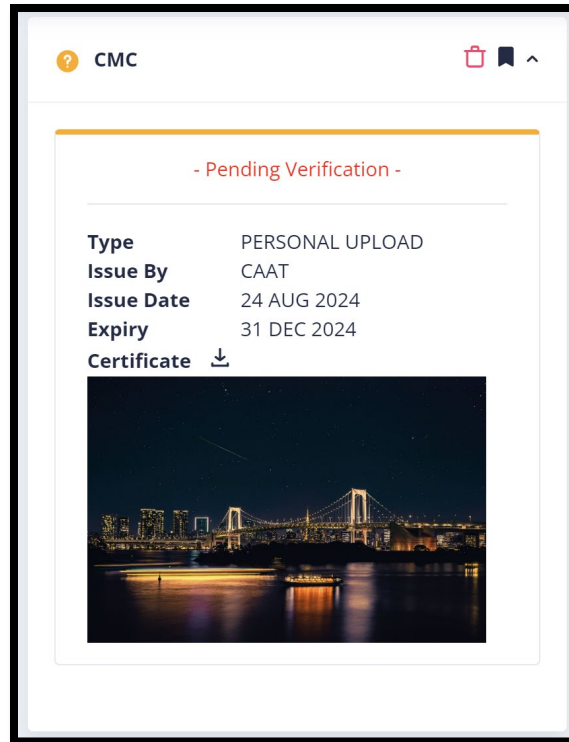

1. It will be **mandatory** document.
2. It will use standard upload panel that consists of **file, issue by, issue date, expiry date**. There is **no automatically form filling**.
3. It **requires** verification from CCE admin team.
4. User journey is
 - a. User update their red-center application.
 - b. User upload their CMC document into the system using CMC panel in SEP Module.
 - c. Admin verifies the document and correct it, if need.
 - d. SCC, CC can show CMC online and offline mode. ;P

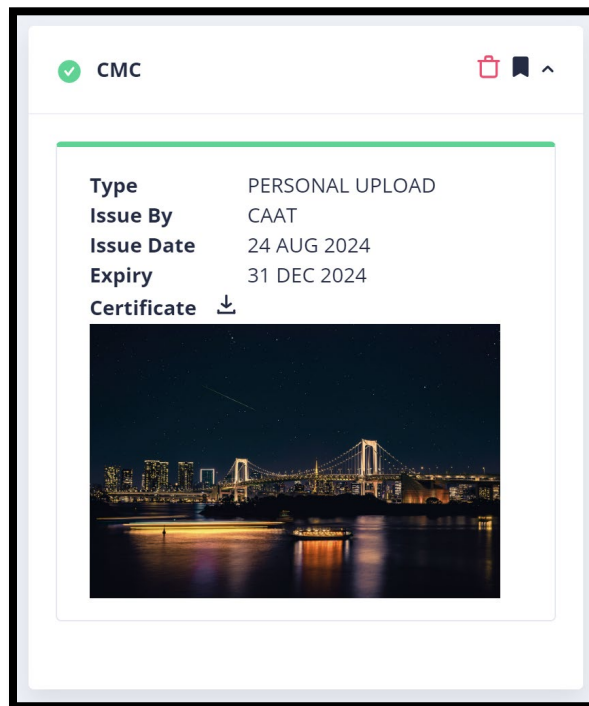

The screenshot shows a web form titled "CMC" with a close button (X) and a caret (^). The form contains the following elements:

- A file upload section with a "Choose File" button and the text "No file chosen".
- A required text field labeled "Issue By*:" with the placeholder "Issue by".
- A required date field labeled "Issue Date*:" with the placeholder "dd/mm/yyyy" and a calendar icon.
- A required date field labeled "Expiry Date*:" with the placeholder "dd/mm/yyyy" and a calendar icon.
- At the bottom, there are two buttons: "SUBMIT" (disabled) and "RESET" (active).
